# GET MOVING!

A 'Train the Trainer' for coaches, trainers,  
administrators & directors.

Interpreted sessions available in April for Spanish speaking providers. | Intérprete disponible para sesiones en abril para porveedores.

**ABOUT:** We know that children learn best through hands-on experiences and play. Join us to explore active play best practices and activities that can help strengthen positive adult-child and child-child interactions; prompt children's understanding and use of language; enhance math, science and diversity explorations; and promote engagement.

**TIME:** 3/23/21 from 1:00 - 3:00 pm

**LOCATION:** Virtual Offering - Participants will receive a Zoom conferencing link via email

**COST:** FREE

**CREDITS:** 2 STARS Hours

**REGISTER LINKS:** [pdenroller.org/esd112/catalog/event/111853](https://pdenroller.org/esd112/catalog/event/111853)

Diane H. Craft, Ph.D., Professor Emerita, Physical Education Department, SUNY, Cortland has co-authored four books on developmentally appropriate, inclusive physical activity for young children including "Active Play! Fun Physical Activities for Young Children". In addition, Dr. Craft has given over 265 highly-acclaimed presentations, workshops and keynotes on preschool physical activities to audiences across the nation. She is currently consulting with the Centers for Disease Control and Prevention as the subject matter expert on Early Childhood Physical Activity.

This training is being supported by Centers for Disease Control and Prevention Cooperative Agreement  
NU58DP006504.
